

Driving Instructions – Mt. Beaven

© Vernon Outdoors Club

- Drive East from Vernon on Hwy.6 towards Lumby.
- Continue east past Frank's store and gas station in Cherryville (last chance for fuel, snacks, indoor toilet) and past the old Goldpanner Café (believed to be closed at the time of writing).
- At 1.5 km past the Goldpanner Café (approx. 63km total from downtown Vernon) turn left onto the South Fork FSR. Reset your trip odometer to zero.
- At 2.7km keep left to continue on the South Fork FSR.
- At 13km keep left to stay on the South Fork FSR.
- At 14.6 km you will reach an intersection. Keep left.
- You are now on the route to the Monashee Lake trail head. This is correct!
- After an additional 1.8 km (approx. 16.5km total since leaving Highway 6) make a sharp left at 50.209051° N 118.346047° W and drive for 3.8 km approx. to the trail head. The road is in good condition because of logging since 2021.
- At the time of writing road conditions are good but that can change at any time. Due to logging activity in the Monashees we suggest you carry a forest service road frequency radio in one of the vehicles in your party and know how to use it.

Use of these directions is entirely at your own risk.
